Dear Libby,

Hazey I guess it is time for me to be leaving the ole place but when you gotta go you gotta go. I sho am going to miss you. We have had some good times an the bad trips haven't we? That is all past now but I sho will miss them + you. At college next year you want be there but you will be in Maria waiting I hope. I have enjoyed being in the band with you + I want you to take over that first chair spot next year. Do this for me. Sweetheart I can't think of much more to say except that I sho will miss you next year. I wish you only knew how much. This is getting close to the end so I will close it I opened it. I hate to leave the ole place because I have a lot of memories left there. Remember one thing + that is that I love you. Stay sweet + always remember me by this writing in your annual.

I love you always

Lonnie

Best o' Luck,
(Corny, but I mean it)
to a fine girl. Hey
ya sixty year, and
hope I remain an
honary member of
the "Thunderbirds"
Love ya—

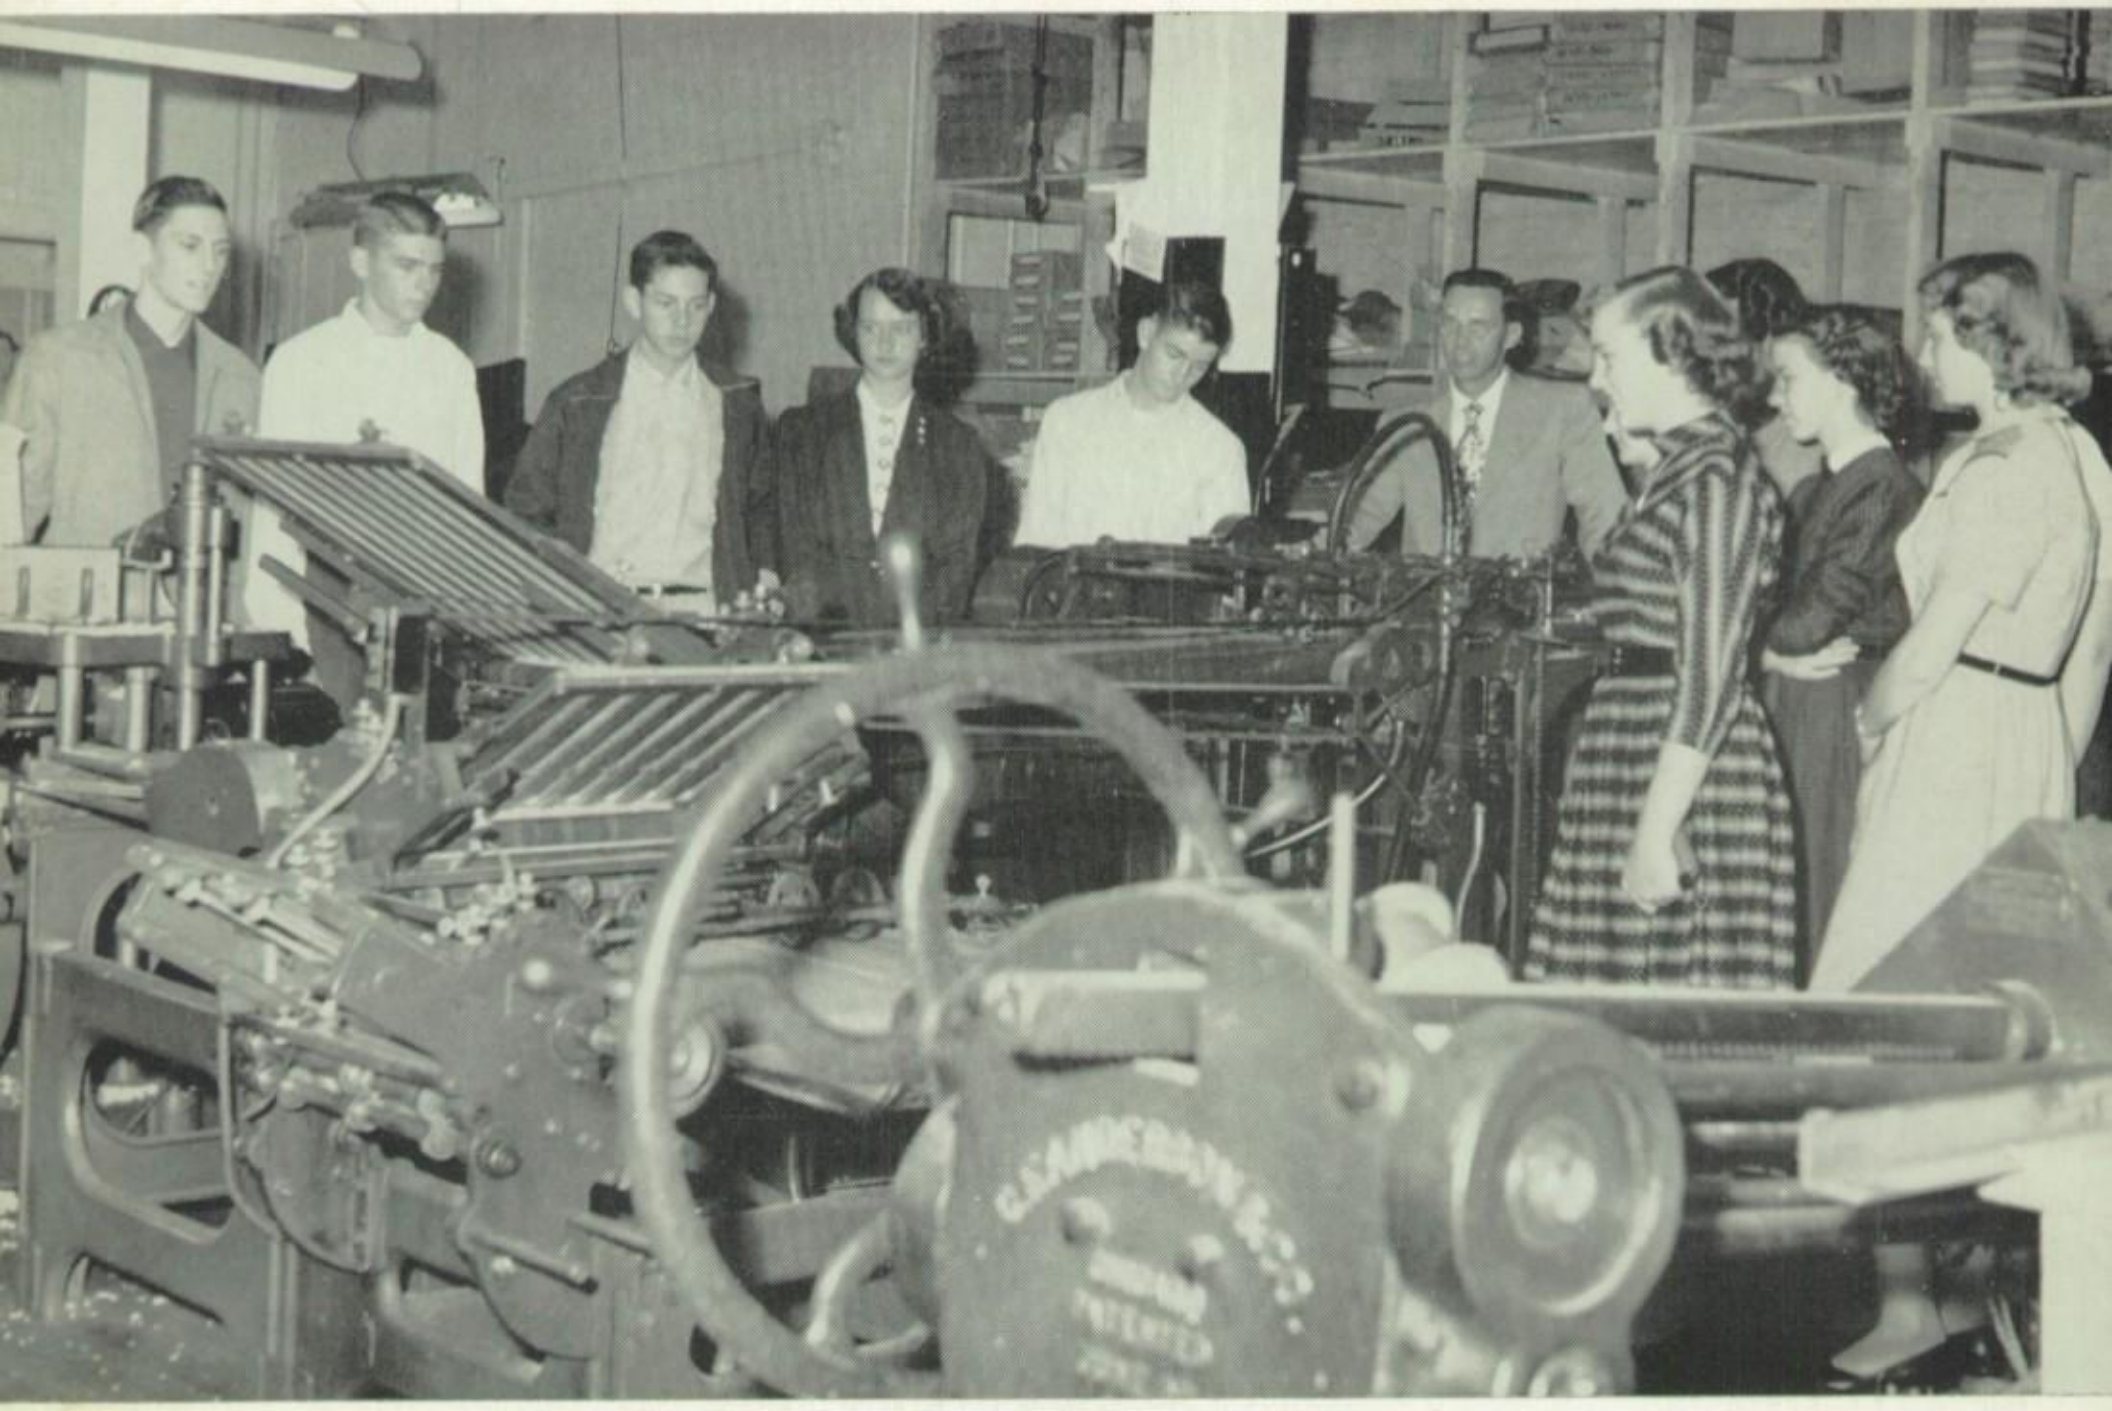
SWAMP FOX

Of Marion High School, Marion, South Carolina



THE WHEELS BEGAN TO ROLL . . .

FOREWORD

. . . when a trip was made to the publishing company, the staff followed the progress of printing a yearbook from start to finish. With the new knowledge we were determined to have a bigger and better annual than ever before.

But work such as this is not accomplished by individuals, but by the combined efforts of many. Therefore, the staff thanks Mr. Tollison and all members of the faculty for their help and cooperation in presenting you with this, the product of our combined talents.

The staff hopes that in later years this book will serve as a means to bring you back to your high school days and the friends that you made here.

DEDICATION

In appreciation of his friendliness, his fine sense of humor, his sympathetic understanding of young people, his patience, his willingness to help, and his encouragement to strive for the good and the pure, we, the last class to enjoy the honored privilege of having him as our Grammar School principal, lovingly dedicate the SWAMP FOX of 1954 to Mr. Sam Miles.

CLASS OF 1954

CLASS HISTORY

It was on a September day in 1942 that we began the big game! A group of scared and nervous youngsters, we were banded together to play the most important game of our careers. Our opponent was Ignorance and we soon found that the star players for this team were Addition, Subtraction, and Spelling. Mr. Miles, who was the official, was strict when fouls were made, but he was always fair with everyone.

During the first quarter of the game we played very well under the expert guidance of coaches Whitley, Gassaway, Rogers, Smith, McIntyre, and Carrie. Because we played very hard in this first period, we were allowed three timeouts in order to rest.

Well rested from our timeout, we entered into the second quarter with high hopes and strong determination. Several substitutions were made on both sides and the competition became stiffer. Such stars as Fractions, Geography, and Long Division began to show their prowess. We were having quite a struggle until some new plays were shown us by our new coaches. These coaches, Bostick, Rush, Collins, Bryant, Burch, and Miles, watched over us very carefully and helped us to get through this difficult period of the game.

Knowing that the second half would be even more difficult, our coaches warned us and tried to prepare us for what was to come. And so when the third quarter began, we were again nervous because, from all that we had heard, this would be an entirely different kind of game. We encountered a practically new team with such stars as Algebra and Parallel Reports. We were still the same team, however, with a few substitutions. We also had a new official, Mr. Tollison.

During the third quarter we were very inexperienced and consequently we fumbled many times. When things seemed almost too difficult to bear, we were cheered and encouraged from the sidelines by our parents and our patient coaches. Needless to say, we were very glad when timeouts were called.

At last it was time for the fourth and final quarter. By this time many of our players had become weary of the fight, but we received fresh players. Ignorance again had many new stars, among whom were Geometry, Chemistry, and Macbeth. However, we had begun to gain confidence in ourselves and with the experience obtained in the past three quarters we made fewer fumbles and bad plays. This last quarter was the best in the game and we actually enjoyed ourselves.

Now, as the final whistle blows, we have come to realize that this is not the end, but the beginning of another game—the game of life. Ignorance has not been defeated. Throughout life we must continue to learn, and someday we may overcome Ignorance with the aid of the knowledge and experience which we have obtained in this, our first game.

SWAMP FOX STAFF

In September, the staff started working on an idea for the 1954 SWAMP FOX but after a trip to The R. L. Bryan Publishing Company we changed our plans and started again.

Many hours were spent laying out plans, identifying pictures, and typing until at last our work seemed to form the pattern of our plans. Then the changing began: changing layouts, retaking pictures, re-writing copy, etc., until, after many head-aches and sleepless nights, that memorable day came when we laid our efforts of many months in the hands of the printers.

The Editors, BERTHA MAYE *and* ROBERT, *confer with* MR. LEWIS *and then all go to Columbia for more advice.*

FOX TALES STAFF

The subscribers to the *Fox Tales* got more for their money this year than ever before. The *Fox Tales* staff under the leadership of Gwen Atkinson, the editor, published very fine and enjoyable newspapers. After Mrs. Strickland's accident, Mrs. Shelley very capably took over the job of supervision of the staff and the press continued to roll. The *Fox Tales* is a member of the South Carolina Scholastic Press Association.

Some of the outstanding columns were the club write-ups, "Did You See", "Student of the Week", "Want Ads", "In the Fox's Den", "Sports Roundup", and "Player of the Month". The paper always carried all the latest news.

MRS. STRICKLAND *and some of the staff put in a lot of work so the writers can read their own stories in print.*

WARREN DERRICK, *President;* BARBARA ANN POWERS, *Secretary*

The Student Council is an advisory group of students representing the entire school. It is composed of the president and the vice-president of the student body, president of each class, and the representative of each homeroom, all of which are elected by the students.

The main purpose of this body is to improve conditions in and around the school. One of the projects undertaken by the group was the sale of lawn signs.

The Student Council works under the sponsorship of Mrs. Marie C. Stanley.

BETA CLUB

The Marion High School Beta Club is an organization which recognizes outstanding character, leadership, and achievement.

Under the leadership of Miss Grace Johnson, the Beta Club has undertaken many interesting projects during this school term. Each six weeks, a Scholarship Poster was given to the homeroom having the highest percentage of students on the honor roll. A Christmas program was given over the public address system by some of the members. In February, a German exchange student from Florence spoke at the club meeting. The convention was held in Columbia on March 12 and 13.

The officers are Robert Wall, President; Ann Gasque, Vice-President; Barbara Ann Powers, Secretary; William Skipper, Treasurer.

This year the band, under the direction of Mr. Hal Middleton, has taken part in many interesting events.

They presented special maneuvers at the football games and participated in many local and out-of-town parades. Topping these engagements were the Carolina Carillon Parade in Columbia where they won first place and were awarded a very handsome trophy, and the Cherry Blossom Parade in Washington, D. C., where the band members spent two days sightseeing.

The band went to the District Festival in Latta and participated in three events: concert, sight-reading, and marching.

The following students represented Marion at the District Clinic in Kingstree: Ann Gasque, Janet Jaeger, Ann Snipes, Sarah Hodges, Anne Davis, and Ronnie Pearson. Also Ann Gasque and Sarah Hodges represented the band at the State Clinic in Rock Hill.

SCHOOL BAND

The concert band gave its annual spring concert on two successive nights with full houses both nights. The highlight of the program came when the 36 advanced members and 22 junior members were joined by the beginners for an instrumentation of seventy pieces.

This year Marion High had one of the best football teams it has had in a long time. After a successful season of 5 wins and 3 losses, they advanced to the district championship, defeating Myrtle Beach 26 to 6.

Climaxing a real thriller by eliminating Cheraw in a 21 to 20 upset, Marion advanced to the Lower State for the first time since 1941. Due to the fact that several first string players were injured during the Cheraw game, a powerful Berkeley team eliminated them from Lower State.

This year the Civitans awarded trophies to Warren Derrick, best all-round; Harry Jordan, best defensive player; Keith Hood, best offensive player. Keith and Harry were also selected to play in the Tobacco Bowl game. Marion had one player, Harry Jordan, selected on All-State and two, Van Wood and Keith Hood, got honorable mentions.

Coaches Lyon and Evans are to be congratulated for such a fine team. The coaches say that they have never had a team that worked together so nicely or that worked so hard.

The Marion girls got off to a slow start but improved with each game. The team started off with only two players from last year, but it didn't take long for the others to become veterans too. Janet Joyner, one of the players from last year had to drop to the sidelines after four games because of illness. Jackie Ray who was playing in spite of an injured leg was out of four games, but these handicaps didn't stop the determined Lassifoxes. At the end of the season they had 3 losses, which totaled 7 points margin, and 18 wins.

In the District Tournament the Lassifoxes defeated Green Sea and came from behind to defeat Floyds 50-30 to become District Champs. Margaret Gregg, Bertha Maye Drose, and Julia Rogers were selected All-Tournament.

The Lassifoxes then moved on to Lower State where they defeated Latta 41-31. This brought them face to face with the powerful Timmonsville girls, who had defeated them by one point in the regular season. But the Marion girls, determined to go all the way, defeated the Timmonsville girls 36-33 in a thriller.

The Lassifoxes were now ready for the big game for which they had fought all year. In the Carolina fieldhouse on the night of March 4, 1954, the Marion Lassifoxes defeated Roebuck to become the State Champs.

Two of the team had the honor of being selected as All-State. They were forward Jackie Ray and guard Bertha Maye Drose, who was also selected as captain of the All-Staters.

THE SWAMP FOXES ON THE HARDWOOD

The Marion Foxes had one of its strongest teams this year with 15 wins and 4 losses. One of the team's biggest thrills and one of its greatest disappointments both came the same night. They were on the night Jimmy Walker, one of Marion's star players, broke his arm while warming up before the Mullins game and when Marion defeated Mullins one point.

In the District Tournament Jimmy again joined the Foxes, playing with his arm in a splint. The Marion Foxes defeated Floyds 63-48 and Myrtle Beach 46-32 to become District Champs. Jimmy Walker and Van Wood were selected as All-Tournament.

In the Lower State Tournament the Marion Foxes, fighting hard against the powerful Bamberg team, got off to a quick start gaining a 15-5 lead by the end of the first quarter. In the second period the lead changed into Bamberg's favor, but they were unable to keep it as the fighting Foxes again took the lead in the third period.

In the fourth period a number of Marion's starting players fouled out, giving Bamberg the chance to establish a 5 point lead. Before the Foxes could recover, the final whistle blew, ending the game 53-48 in Bamberg's favor.

Kneeling: Robert Wall, Markey Bethea, Van Wood, Norman Holliday, Carlton Shelley, Larry Sawyer, Jimmy Walker, Mickie Gray, Lee Guy.
Standing: Ralph James, Billy Drew, Jackie Rogers, Bobby Hughes, *Coach* Lyon, Bobby Stephenson, Sid Baxley, Reggie Rowell, Ronnie Finger.

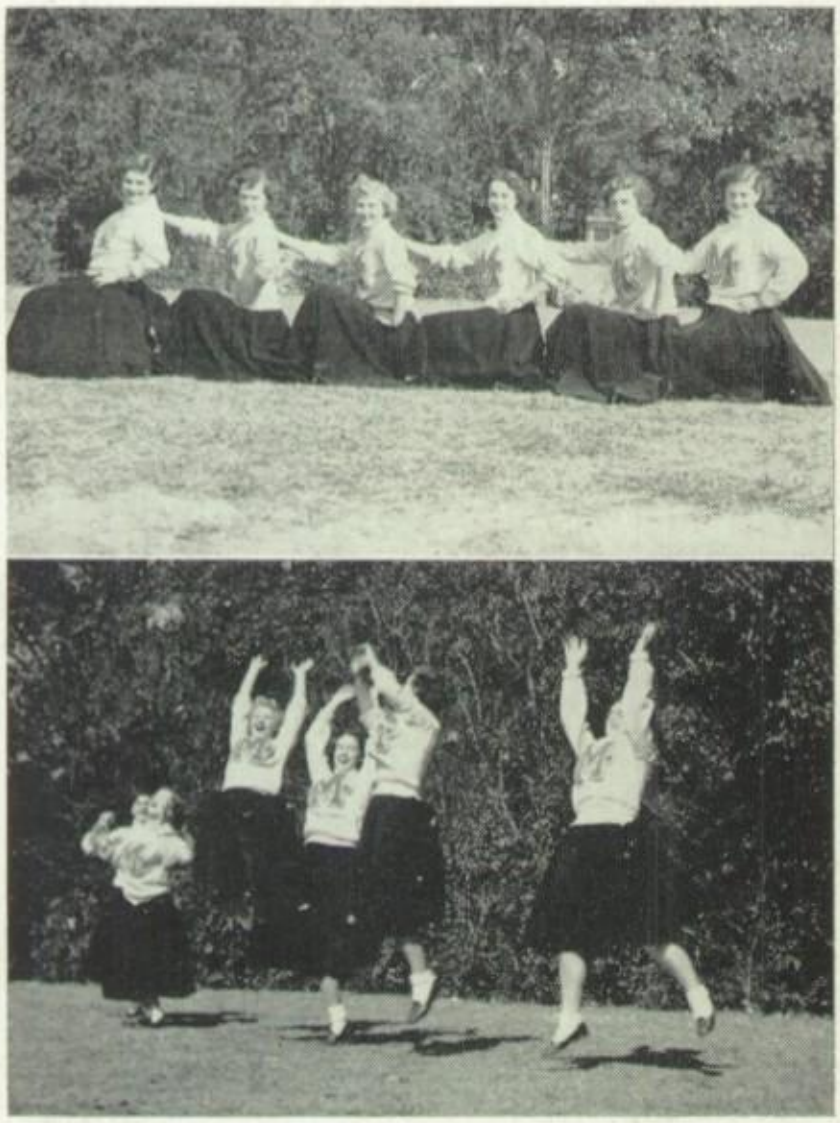
THE SWAMP FOXES
on the
DIAMOND

This season the Marion Swamp Foxes went on the diamond under Coach Lyon with high hopes, winning three of the first five games and the District Championship. Since they lost only three lettermen last year, the Foxes should be seen in the win column consistently. Billy Bullard will again head the pitching staff with Joseph Ricks doing the catching. Van Wood, Carlton Shelley, Harry Jordan, and Bobby Norton make up the infield while the outfield should be well taken care of by Johnny Baxley, Markey Bethea, and Larry Sawyer. Prospects for next year are encouraging since only four starters are seniors and will graduate.

The Foxes won the Lower State title and played Kershaw for the State. Billy Bullard won wide acclaim for his pitching against Bamberg and Lamar in Lower State play and Harry Jordan became a hero for his ninth inning game winning triple in the final game with Bamberg as the team made this the most successful season in years.



Sideline supporters have to practice too.

CHEERLEADERS

The Cheerleaders began their duties last August by poking into every nook and corner for old pep songs, making up new pep songs and motions, and learning them. The week before the first game they were busy with last minute preparations. Because their material was lost in the mail, they had to rush to nearby towns to find the material needed. Then all they could do was to wait until just before game time for their uniforms to be finished. The result was worth the effort.

This year for the first time, the Marion Cheerleaders had six large megaphones with the letters M-A-R-I-O-N painted on them. These cheerleaders did a good job of leading the student body, supporting the team, leading pep rallies, and leading the snake dance.
